- All play starts from #1 Tee
- Tees are referenced from the backmost as Course 1, 2, 3, 4 - Men play Course 1, Women Course 3
- Practice on Course 1, 2, 3 or 4 on Tournament days is prohibited. The designated practice areas are:
 - The Practice range, which starts on the left of Course 3's 10th Tee, runs between #10 and #18 fairways (delimited by the tree lines on each side)
 - Putting Green and separate chipping green outside the Club shop
 - Practice nets behind/beside the cart shed and grassed area adjacent to #1 tee
 - The Bunker and Practice Green located between the 18th Green & 14th Fairway.
Chipping to this green may be from a maximum of 15m.

Practice on The Course may result in Disqualification

- Slow play must be avoided – 1 round of 18-holes is estimated to take 3.75 – 4.0 hrs.
Excessive slow play may be penalised under Rule 5.6
*Tips: - For a ball which may be lost **OUTSIDE** a Penalty Area, either play a provisional ball or declare your intention to invoke the TMGC Local Rule if the Ball is Lost **or** Out of Bounds*
 - *Taking safety and courtesy into consideration, adopt a **play when ready** approach because Order of Play has no formal relevance in this tournament which is a Strokeplay event*
 - *Play your own shot before searching for another player's ball.*
 - *On completion of a hole, leave the Green promptly and mark your scorecard at the next Tee*
 - *If you have "the honour" at the next Tee, play your shot **BEFORE** marking your scorecard*

Course Information

NO ENTRY = NO PLAY ZONE on #10 is IN the PENALTY AREA

At the right-hand bend on the riverbank side of #10 fairway, alongside the approach and walk down to the next level, is a roped NO ENTRY area, which is, under our LOCAL RULES, designated as a "NO PLAY ZONE"

This NO ENTRY = NO PLAY ZONE is IN THE PENALTY AREA.

When a ball is at rest in this NO ENTRY = NO PLAY ZONE the player MUST take 1-stroke penalty relief outside the penalty area. Standard relief options EXCEPT Rule 17.1e (2), which is not employable in this particular area of the course, may be utilised.

NOTE: Playing the ball from within the NO ENTRY = NO PLAY ZONE will incur the General Penalty (2 strokes)

WARNING: The NO ENTRY = NO PLAY ZONE area has been seriously undermined by the natural forces of the river below it.

- Do NOT enter the NO ENTRY = NO PLAY ZONE area under any circumstances.
- Only retrieve golf balls from the NO ENTRY = NO PLAY ZONE if retrieval is possible without physically entering the zone

Player's Responsibilities

Each player is required to comply with ALL the Rules of Golf and to:

- Use the pre-printed and competition-registered scorecard provided for each round
- Ensure the ball is 'holed' on every hole – putts cannot be given
- On the printed scorecard, clearly write the actual score for each hole (no 'ringers')
- When a hole is NOT completed, mark the score as X in the Pick Up column on the scanning section of the scorecard
- Confirm scorecard content by including the signatures of both Player and Marker
- Return the completed scorecard to the Club Shop on the day the round is played and at the earliest possible time after the round is complete

NOTE: Return of an incorrect / incomplete scorecard may result in disqualification. Failure to return a card on the day the round is played will incur a 2-stroke penalty on the late scorecard.

REQUEST: Please endeavour to record the hole-by-hole gross score of all other players in your group so that if there are any disputes over posted scores the group's scorecards can be used for verification purposes.

Any disputes on The Rules or Handicaps must, in the first instance, be registered with the Tournament Committee who will, if necessary, refer the issue to the Disputes Committee for a decision under The Rules. The ruling issued by the Disputes Committee is final.
