COMPETITIONS – DEFINITIONS and CONDITIONS

All Te Marua Golf Club's competitions are defined by the Match Committee for the relevant playing category (Midweek Men, Women, Weekend) and where appropriate, in consideration of any conditions set by the sponsor(s) of the competition.

The relevant Match Committee has the discretion to alter the schedule of events, definition of an event and/or competition conditions. Any such changes will be notified well in advance of the event.

Competition conditions may include restrictions on playing dates, times and specify other eligibility criteria.

ARRANGING OF MATCHES – ALL MEMBERS

Preliminary round and Semi-Final matches must be played on or before the stipulated date. If players are unable to agree a date, the play by date takes precedence. Finals matches must be played ON the specified date.

Should the player(s) be unavailable for the set date, then the unavailable player - or players - will be required to default the match. The Match Committee may replace the defaulting player(s) with the player(s) defeated in the prior round.

Considering the above conditions, players should confirm their availability for the Semi-finals and Finals **and** the Reserve Dates BEFORE entering any multi-round Matchplay event.

POSTPONEMENTS

Postponements caused by inclement weather will be managed at the time. If possible, reserve days will be used. As a last resort, new dates will be set, and participants will be required to play on those dates or to seek approval from the Match Committee for the match to be played on another date.

PROTESTS

When it is intended to protest the player should, as well as complying with the R&A Rules of Golf, notify a member of the Match Committee, through the On-Duty Manager / Administrator, that he/she intends to protest. Unless the intention to protest is notified prior to or immediately after the completion of the game, the protest may not be considered.

If a member of the Match Committee is unavailable at the time the protest is lodged, the card should be marked "Protest" and left with the Duty Manager / Administrator for follow up action.

HOLE IN ONE

The following conditions apply to a hole-in-one.

- Any member who scores a hole-in-one at home while playing a “Stipulated Round” at Te Marua shall have the feat recognized and have their name entered on the “Perfect Shot” Honours Board PROVIDED:
 - A scorecard signed by player and a marker affiliated to NZ Golf is returned
 - Digital scorecards must include the membership id for the ‘attested’ marker
 - The “Stipulated Round” of either 9 or 18 holes was played as a formal round, one which will be recorded for handicap purposes
- A hole-in-one at home qualifies the member for up to \$150 in the bar on the day of the achievement - or reimbursement of up to \$100 if scored at another Club. In the latter case, the player’s name will not be entered on the Te Marua Golf Club’s Perfect Shot Honours board.
- In the event of a member scoring a hole-in-one on a day when the bar is closed, the “shout” may be postponed until the next available and convenient day – confirmation of the new date to be arranged in consultation with the Match Committee and/or Caterers.
